

Give your child direction towards future school success!

***Miami Valley Hospital Childcare Center
Mini University***

Kindergarten Readiness Program

Miami Valley Hospital Childcare Center operated by Mini University is launching a **new part time Kindergarten Readiness program** in January 2010! Enroll your preschool child in this half day morning preschool today! Children will focus on learning the skills necessary for Kindergarten and future school success. Creative Curriculum and Ohio's Early Learning Content Standards for Preschool are used to guide our focus on early literacy skills, emerging math skills, building social relationships, and learning science concepts. Our teaching staff are degreed teachers that specialize in early childhood education.
