

Mini University

July 2019

Miami Valley Hospital Child Care Center

Dear School Family,

I hope you enjoyed celebrating the 4th of July with family and friends! We are excited to offer more Conscious Discipline Family Trainings on July 23rd and August 6th. There is a raffle as well as child care and dinner provided for you! We have enjoyed the series with you so far and new families are always welcome! You can sign up at the Front Desk so we know how many will be attending each class.

Upcoming Events

July 23rd	Conscious Discipline Parent Training 5:30-7:30 p.m.
August 2nd	School Family Picnic @ 12:15pm
August 6th	Conscious Discipline Parent Training 5:30-7:30

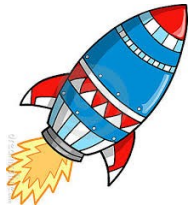

There is a lot of good information in the newsletter including the family referral program, scholarships for Pre-K, summer reading program, and fun celebrations in the center!

We hope that you are enjoying summer as much as we are! Many of the Pre-K children will be going to Kindergarten in the next month or so. We are grateful to have walked alongside the school journey with you and your child. We wish you well and know the children are ready for school success! We will enjoy these last few weeks together with you!

Respectfully,

Kim Grisez, Program Administrator

Information & Celebrations

Summer Reading Program

We've reached our overall center goal of 7,200 minutes read already! Way to go! We're going to keep the momentum going and the focus on reading for the rest of July. Keep adding stickers to your child's classroom rocket ship each time you read at night. Our Dayton Metro librarians will be back to read again the morning of July 26th and we'll arrange for prizes to be sent home!

Family Referral Program

If you refer a child who is 4 years old by September 30th, you will receive a \$100 gift card! We have several spots still left in our Pre-K program! They need to be enrolled by September 3rd for the new school year.

Scholarships Available!

Mud Day

The children and teachers enjoyed a beautiful day playing in the water and mud! This hands-on experience helps children explore, play, and learn that it's alright to get messy sometimes!

School Family Picnic

You're invited to join us for a picnic lunch at 12:15 p.m. on Friday, August 2nd! This will be a great time to come together for a summer meal as a school family.

Sign up sheets will be posted soon outside each classroom door, so please sign up if you plan to attend.

Conscious Discipline®

Summer 2019 Family Training
